II. STUDENT CONDUCT AND DISCIPLINE

Students are subject to school rules:

- A. On school grounds before or during school hours or after school hours and at any other time when the school is being used by a school group
- B. Off school grounds at a school activity, function, or event.
- C. While traveling to or from school or a school activity, function, or event.

In addition, students may be disciplined for engaging in unlawful activity on or off school grounds which may reasonably be considered an interference with school purposes or educational functions or which necessitates their removal to restore order or protect persons or school property. This includes any such unlawful activity that takes place during weekends, holidays, and other school breaks, and the summer period when a student may not be attending classes or other school functions. In the absence of student self-discipline, there are times when it is necessary for school officials to make a decision concerning the acceptability of a student's behavior when it interferes with school purposes or educational functions. Each administrator, teacher, or any other school personnel is responsible for enforcing the rules for student conduct adopted by the individual school and the Board of School Trustees. Where a conflict in policy exists, School Board regulations or State/Federal statute supersedes this handbook. These decisions will be based on the welfare of the total school community and the behavior's effect of the learning environment. While some infractions will receive the maximum allowable punishment, other disciplinary consequences may be altered, based on the discretion of the principal.

BULLYING

1. Bullying committed by students toward other students is strictly prohibited. Engaging in bullying conduct described in this rule by use of data or computer software that is accessed through any computer, any computer system, or any computer network is also prohibited.
2. For purposes of this rule, bullying is overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner including electronically or digitally, physical acts committed, aggression, or any other similar behaviors that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student and create for the targeted student an objectively hostile school environment that:
 - Places the targeted student in reasonable fear of harm to the targeted student's person or property;
 - Has a substantially detrimental effect on the targeted student's physical or mental health;
 - Has the effect of substantially interfering with the targeted student's academic performance; or
 - Has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, and privileges provided by the school.
3. This rule may be applied regardless of the physical location of the bullying behavior when a student committing the bullying behavior and the targeted student attend a school within the school corporation and disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of other students to a safe and peaceful learning environment.
4. Any student or parent who has knowledge of conduct in violation of this rule or any student who feels he/she has been bullied in violation of this rule should immediately report the conduct to a school administrator who has responsibility for all investigations of student misconduct including bullying. A student or parent may also report the conduct to a teacher or counselor who will be responsible for notifying the school administrator. This report may be made anonymously.
5. A school administrator shall investigate all reports of bullying made pursuant to the provisions of this rule. Such investigations must include any action or appropriate responses that may be taken immediately to address the bullying conduct wherever it takes place. The parents of the bully and the targeted student(s) shall be notified on a regular, periodic basis of the progress and the findings of the investigation and of any remedial action that has been taken.
6. The school administrator will be responsible for working with the school counselors and other community resources to provide information and/or follow-up services to support the targeted student and to educate the student engaging in bullying behavior on the effects of bullying and the prevention of bullying. In addition, the school administrator and school counselors will be responsible for determining if the bullying behavior is a violation of law required to be reported to law enforcement under Indiana law based upon their reasonable belief. Such determination should be made as soon as possible and once this determination is made, the report should be made immediately to law enforcement.

7. False reporting of bullying conduct as defined in this rule by a student shall be considered a violation of this rule and will result in any appropriate disciplinary action or sanctions if the investigation of the report finds it to be false.
8. A violation of this rule prohibiting bullying may result in any appropriate disciplinary action of sanctions, including suspension and/or expulsion.
9. Counseling, corrective discipline, and/or referral to law enforcement will be used to change the behavior of the perpetrator. This includes appropriate intervention(s), restoration of a positive climate, and support for victims and others impacted by the bullying.
10. Educational outreach and training will be provided to school personnel, parents, and students concerning the identification, prevention, and intervention of bullying.
11. All schools in the corporation are encouraged to engage students, staff, and parents in meaningful discussions about the negative aspects of bullying. The parent involvement may be through parent organizations already in place in each school.
12. The Superintendent or designee will be responsible for developing detailed administrative procedures consistent with the Indiana Department of Education guidelines for the implementation of the provisions of this rule.

BUS CONDUCT

Bus conduct and safety rules are designed to promote safety on the school bus, at the bus stop, and while entering or leaving the bus. All school conduct rules apply during these times. Because the safety of each student is top priority, all individuals are expected to cooperate fully by obeying bus rules and regulations.

The authority of the bus driver will be recognized and respected. For everyone's safety, the bus driver must be heard, be able to hear oncoming traffic sounds, and be obeyed by the students.

School bus transportation is a privilege. School discipline, including the denial of bus transportation, suspension, and expulsion, will be imposed on those who violate safety guidelines or directions of drivers. Busses are equipped with video cameras, and transportation personnel and/or the administration to ensure the safety of all students may view videos. In the event transportation privileges are denied, parents or guardians will assume the responsibility of transporting their children to and from school.

- Pants/shorts will be worn at the waist or just below.
- Skirts/shorts bottom hem will reach mid-thigh

STUDENT SUSPENSION, REMOVAL, AND EXPULSION POLICY (SCHOOL BOARD POLICY 5610)

Recognizing that the behavior of some students may be so disruptive that it interferes with school purposes or educational functions, school officials may find it necessary to remove a student from the school. In this event and in accordance with the provisions of Indiana Code 20-8.1-5.1, the Board of School Trustees authorizes administrators and staff to use the following guidelines:

1. Removal from Class or Activity – In accordance with Indiana Code 20-33-8-9, the high school teacher will have the right to remove a student from his/her class or activity for a period of up to one (1) school day if the student is assigned regular or additional school work to be completed in another school setting.
2. In accordance with Indiana Code 20-33-8-7, a student may be suspended for ten (10) school days, or as extended if expulsion has been recommended.
3. In accordance with Indiana Code 20-33-8-3 and due process procedures defined by school board policy, a student may be expelled from school for a period in excess of (10) ten school days up to one calendar year and to the beginning of the next semester, depending upon the conduct, as determined by the expulsion examiner.

SUSPENSION PROCEDURE

When the principal or his/her designee determines that a student should be suspended, the following procedures will be followed:

1. A meeting will be held with the student prior to suspension, except where the nature of the misconduct requires immediate removal. In such situations, however, the meeting will be held as soon as reasonably possible after the issuance of the suspension.
2. At the meeting, the student will be provided with a written, or oral statement of the charges. If the student denies the charges, a summary of the evidence against the student will be presented. The student will be provided an opportunity to explain his/her conduct.
3. Following issuance of a suspension, the parent/guardian of the suspended student will be notified in writing. The notification will include the dates of the suspension and will describe the student's misconduct and the action taken by the principal (principal's designee).

EXPULSION PROCEDURE

When the principal or his/her designee determines that a student should be suspended, the following procedures will be followed:

1. The Superintendent (or designee) may conduct an expulsion meeting or may appoint an expulsion examiner to conduct an expulsion meeting.
2. An expulsion will not take place until the student and the student's parent/guardian are given written notice of their right to appear at an expulsion meeting. Failure to request and/or to appear at this meeting will be deemed a waiver of rights administratively to contest the expulsion.

3. If an expulsion meeting is timely requested, the principal (or designee) will present evidence to support the charges against the student. The student/parent will have the opportunity to answer the charges against the student and to present evidence to support the student's position. *An attorney may not represent the student at the expulsion meeting, but the attorney may be available for consultation outside the meeting room during the course of the expulsion meeting.*
4. If an expulsion meeting is held, the expulsion examiner will make a written summary of the evidence heard at the meeting, take any action found to be appropriate, and give notice of the action taken to the student/parent.
5. The student/parent has no right to appeal an expulsion decision to the school board as the school board has voted not to hear student expulsion appeals.
6. A student expelled for more than the current semester will be provided with a review prior to the start of the subsequent semester.

III. ATTENDANCE

School Board Policy 5200

REGULAR CLASS ATTENDANCE

It is imperative that students be in attendance each school day in order not to miss a significant portion of their education. Learning results from active participation in classroom and other school activities, which cannot be replaced by individual study. The school is also concerned about helping students develop a high quality work ethic, which will be a significant factor in their success with future employers. One of the most important work habits that employers seek when hiring and promoting a worker is his/her dependability in coming to work every day and on time. This is a habit the school wants to help students develop as early as possible in their school career. To receive the best possible instruction, regular class attendance by students is necessary. It is the responsibility of the school district to enforce the compulsory attendance laws established by the state of Indiana.

When the student is absent from school, a parent or guardian is to phone the school office within one hour of the start of classes on the day of the absence. This ensures the safety of the child, and it documents the reasons for absence. Parents are asked to call each day the students is absent. If a parent is unable to call the day of the absence, the student is to present a not from the parent upon return to school explaining the reason for the absence. Failure to follow these procedures may result in the absence being unexcused and the consequences associated with an unexcused absence applied. Students arriving at school after the tardy bell must first sign in at the office.

DEFINITIONS

Half-Day Absence- this is to be recorded when a student is in attendance for less than one-half of the school day as defined by the following.

- High School: 8:05 a.m. to 11:30 a.m. and 11:31 a.m. to 3:14 p.m.

Exempt Absences

Under certain circumstances, the law requires the school to authorize the absence and excuse of a student. In these circumstances, the student is excused from school and is not to be recorded as absent, and is not to be penalized in any way by the school.

1. General Assembly: Serve as a page or honoree of the General Assembly shall be recorded as being present at school when such service is properly verified (IC 20-33-2-14)

2. Election Day Worker: With parental permission, students on Election Day may serve on election boards, as a candidate helper, or as political party helpers. Prior to the date of the election, the student must submit a document signed by one (1) of the student's parents or guardians giving permission to participate in the election. The student must also verify to school authorities the performance of services by submitting a document signed by the candidate, political party chairman, campaign manager, or precinct officer. The document must describe generally the duties of the student on the date of the election. The student will be recorded as being present at school (IC 20-33-2-15)
3. Required Court Appearance or Probation Appointments: Such an absence must be verified by a proper court summons or by the individual's probation officer. A student who is subpoenaed to appear in court as a witness in a judicial proceeding will not be counted absent from school. (IC 20-33-2-16)
4. Active duty with the Indiana National Guard for not more than ten (10) days a school year. The student will be recorded as present at school. (IC 20-33-2-17)
5. Members of, and students who participate in the Indiana wing of the Civil Air Patrol for not more than five (5) days a school year, will be counted as present. (IC 20-33-2-17.2)
6. Indiana State Fair: If a student or a member of the student's household exhibits or participates in the Indiana State Fair for educational purposes, that student may receive up to five (5) days a school year and will be counted as present. (IC 20-33-2-17.2)
7. The governing body of a school corporation may authorize the absence and excuse of a student who attends any educationally related non-classroom activity. (IC 20-33-17.5)

EXCUSED ABSENCES

The term "excused" will refer to any absence from school or class based on the following:

1. Personal Illness: The approving authority may require certification by a physician, dentist, or psychologist.
2. Death of a relative: The absence arising under such circumstances is limited to a period of three (3) days.
3. Religious observances: advance notice to the principal is required.
4. Absences approved by the principal for good cause. Extraordinary or extenuating circumstances as documented and approved by the principal.
5. A family trip/planned activity that conflicts with the school calendar shall be considered for an excused absence as determined by the principal of his/her designed based upon the following criteria:
 - a. Notification by the parent or guardian and a signed request form must be completed prior to the student absence.
 - b. The length of the absence should not put the student in the position of exceeding the maximum number of absences allowed (eight (8) per class periods per semester – high school; eight (8) days per semester elementary/middle school).
 - c. Excessive absenteeism, tardiness, or a poor academic record will be considered.
 - d. Family trips will not be considered for excused absences the first or last week of each semester or if the absence would prohibit a student from completing state assessments or tests.
 - e. It is unlawful for a parent to fail or refuse to produce a certification of illness or incapacity not later than six (6) days after the certificate is demanded by the principal. For example, a principal may demand a certificate of illness or incapacity before or after vacations.
 - f. The school corporation encourages families to schedule trips during non-school times.

Parents may periodically be informed of the student's class attendance patterns.

UNEXCUSED ABSENCES

- A. An unexcused absence from school or class is defined as truancy or any other absence not included in the items above; or a violation of an attendance contact.
- B. Truancy is an absence from school or class without the knowledge or consent of the parent and the school, or an absence from school where there is an attempt to evade the State Attendance Law.
- C. Under IC 20-33-2-25, the "Superintendent or an attendance officer having jurisdiction shall report a child who is habitually absent from school in violation of this chapter to an intake officer or the juvenile court of the department of child services."
- D. IC 20-33-8-8 defines habitual truancy to include student absent ten (10) days or more from school within a school year without being excused or without being absent under a parental request filed with the school.
- E. Chronic absenteeism includes students absent from school for ten percent (10%) or more of a school year for any reason.

LATE ARRIVAL/EARLY DEPARTURE PROCEDURES

- A. Arriving to school late may constitute a tardy or a half-day absence, depending on arrival time. Late arrivals due to appointments must be documented by a doctor's certificate.
- B. Departing early before the end of the school day for appointments may constitute an early dismissal or a half-day absence, depending on departure time. Documentation by a doctor's certificate will be required.
- C. All schools have a closed campus during the school day and students are to remain on school grounds from arrival in the morning until dismissal time in the afternoon. However, should a student find it necessary to leave the school for any reason, he/she must receive permission from the building principal or his/her designee before signing out. If permission is given, the student must then sign out and sign in immediately upon his/her return to school. Students who do not follow this procedure will be considered truant and dealt with accordingly.

EXPLANATION OF ATTENDANCE POLICY

- A. Elementary School – Student absences must not exceed eight (8) days per semester. Consequences for excessive absences may include attendance letters, parent conferences, a required doctor's certificate for any future absence, attendance contract, and referral of parents to the Jasper County Prosecutor or Department of Child Services.
- B. Middle School – Student absences must not exceed eight (8) days per semester. After eight (8) absences the student may be placed on an attendance contract with detention assigned for violations of the attendance contract.
- C. High School – Student absences must not exceed eight (8) days in any one class per semester. All absences other than those determined to be EXEMPT will count toward the eight-day limit. On the ninth (9th) absence from one class, the student will receive a grade of WDF (withdrawn/failure) with no credit given for that class. In addition, the student will be removed from the class. If a student is removed from three (3) or more classes, the student will be recommended for expulsion or change of placement. A student may appeal the decision of removing a student from class to the Attendance Review Committee. The Committee will take into consideration extenuating circumstances (long-term illness, chronic illness, family emergency).
- D. Exceptions to the maximum number of absences include the following:
 - a. Extended illness of more than three (3) consecutive school days. The first three (3) days will count toward the limit. The extended illness must be documented by a physician's statement indicating the student was unable to attend school due to said illness. The medical/physician's statement must be on file within six (6) days after the student returns to school. Failure to produce the physician's statement in the required time may result in all days missed counting toward the limit.
 - b. Out-of-School Suspension
 - c. In-School Suspension
 - d. Expulsion
 - e. Authorized school-sponsored activities
 - f. Death in the immediate family, not to exceed three (3) days absent, documentation requested. (Immediate family: mother, father, brother, sister, grandparent, husband, wife, daughter, son, and each similar relationship as established by marriage, or dependents living in the same household.)
 - g. Religious observations of recognized religious holidays.
 - h. High School college visitation days. Seniors – two (2), Juniors – one (1) verified through the college/university office of admissions.
 - i. Exemptions specified in Indiana law.
- E. Truancy will be reported to officials as required by law.

EXPLANATION OF TARDY TO SCHOOL POLICY

- A. Elementary School – Excessive tardiness will be considered six (6) or more tardy arrivals to school per school per semester. Consequences for excessive tardiness may include attendance letters, parent conferences, and referral of parent to the Department of Child Services.
- B. Middle School – Excessive tardiness will be considered six (6) or more tardy arrivals to school per semester. After six (6) tardies the student may be placed on an attendance or tardy contract with consequences for violations.
- C. High School – Students who are tardy to school, class, or other assignments may be assigned detention after school. Students arriving more than twenty (20) minutes late to first period or ten (10) minutes late to periods two (2) through seven (7) will be considered absent for the period unless the student is detained by a school staff member and/or has a pass to class. Students arriving late to school must sign in at the office before continuing to class.

MAKING UP WORK AS A RESULT OF ABSENCE

The following statement of policy regarding student absence and make-up work will apply for those absences falling within the categories named below. For those cases not listed below, the principal or his/her designee has full authority to handle each case according to his/her own best judgment.

- A. When a student has an excused absence, he/she will be given every reasonable help and consideration after his/her return to school in completing assignments given during the period of absence. If possible, teachers should give the student a statement of the assignment to be covered during an anticipated absence. The length of time for completion of make-up work shall be approximately equivalent to the number of days missed, unless scheduled otherwise with the teacher. When work is not made up within this time, a zero shall be given for each assignment not completed.
- B. When a student has assignments which were given at least four (4) days prior to the student's absence, such as, but not limited to, term papers, book reports, or special projects, the assignment shall be due on the established due date even though the student is absent on that date. It is the responsibility of the student to arrange to have the assignment turned in on the established date. Extensions of time for the completion of such assignments and waiver of penalty may be granted at the discretion of the teacher or building principal.
- C. When a student is truant, no credit will be given for make-up work and detentions will also be assigned for students in grades six (6) through twelve (12)
- D. When a student is assigned in-school suspension, he/she will be required to make up all class work for full credit and complete any other assignment(s) given by the supervisor.
- E. When a pupil is to be absent from school for non-health reasons and the dates of the absence are known in advance, the parent/guardian should pre-arrange the absence with the school as follows:
 - a. The student's parent/guardian should notify the principal in advance of the absence.
 - b. The student shall be responsible for such tests of other written work as the teacher may require concerning these assignments. Tests are to be administered within a reasonable time of the student's return, at the discretion of the teacher.
 - c. The teacher is not required to tutor the student in advance of an absence or after his/her return.
 - d. The length of time for complete of make-up work shall be approximately equivalent to the number of days missed, unless scheduled otherwise with the teacher. When work is not made up within this time, a zero shall be given for each assignment not completed.

CONSEQUENCES FOR UNEXCUSED ABSENCES FOR GRADES SIX (6) THROUGH TWELVE (12)

- A. Middle School – Truancy from school will result in no credit for make-up work. After two (2) or more unexcused absences from school, the student may be placed on an attendance contract. Violations of an attendance contract may be considered unexcused absences and may result in assignment to detention, in-school suspension, out-of-school suspension, and expulsion.
- B. High School – Truancy from school will result in no credit for make-up work and may result in an assignment to after-school detentions, in-school suspension, out-of school suspension, and expulsion.

CONSEQUENCES FOR UNEXCUSED ABSENCES FOR GRADES KINDERGARTEN THROUGH FIVE

- A. Students in grades kindergarten (K) through five (5) who have an unexcused absence, including truancy, may be subject to one or more of the following disciplinary measures as determined by the principal or his/her designee.
 - a. In-School Suspension
 - b. Loss of recesses
 - c. Assignment to work detail during recess
 - d. Disciplinary contract
 - e. Parent conference
 - f. Elimination or the limitation of participation in extracurricular activities, such as field days or intramural activities.
- B. Parents of students with excessive absenteeism may be referred to the Jasper County Prosecutor.

EXCEPTIONS

The Principal or his/her designee shall determine exceptions to the above policies and procedures due to extensive illness, hospitalization, or other extenuating circumstances.

GENERAL GUIDELINES

- A. Parents/guardians are to call to report or verify an absence. This ensures the safety of the child, and it documents the reason for absence. Failure to notify the school may result in an unexcused absence for the student.
- B. Every effort should be made to schedule medical, dental or other such appointments outside the regular school day. Such appointments which result in an absence for one or more periods at the high school will count toward the eight-day limit in those classes missed and toward the eight-day absence limit in the elementary and middle school.
- C. Families should plan their vacations at times when school is not in session to avoid student absences. School days missed because of vacations will count toward the eight-day class period high school limit and toward the eight-day absence limit in the elementary and middle school.
- D. During the school year, parents will be advised on any problems their child might be having with school attendance either by phone or in writing by the building principal or designee.
- E. Regular school attendance is required from the beginning of the fall term for the school year in which a child becomes seven (7) years of age until the child graduates, reaches eighteen (18) years of age. If a child is enrolled before the age of seven (7), parents are required to comply with school attendance law. Under Indiana law, any student who is at least sixteen (16) years of age but is not yet eighteen (18) years of age, may withdraw from school prior to graduation after an exit interview is conducted by the appropriate school employee with the student's parent or guardian and the student's principal. A student may not withdraw from school unless the withdrawal is due to 1.) financial hardship and the student must be employed in order to support the family; 2.) the student's illness; or 3.) an order of a court with jurisdiction over the student.

ALTERNATIVE SCHOOL—Students who are assigned to the RCHS Alternative School are subject to all rules and policies included in this handbook as well as the RCHS Alternative School Handbook and Contract.

ANNOUNCEMENTS-- Announcements will be made over the school public address system each morning. All announcements must have the signature of a sponsoring teacher/coach before being communicated over the public address system.

AUTOMOBILE REGISTRATION AND PARKING

Any student who intends to drive a motor vehicle to school must register any vehicle he/she may drive and return the completed motor vehicle registration form to the main office. A parking tag must be purchased at the time when the registration form for the vehicle is turned in. If you lose a parking tag you are required to purchase a replacement tag. Failure to register your vehicle and display a parking pass could result in loss of driving privileges.

The following rules shall be observed:

1. All student motor vehicles will be parked in the east lot or assigned spot. Improperly parked vehicles will be towed away at owner's expense. Parking in a marked fire zone, without a registered parking tag, in any parking lot OTHER than the East lot, Jasper County Hospital, Rensselaer Care Center, Indiana National Guard Armory, the handicapped spaces are examples of improperly parked vehicles.
2. Students shall depart the school grounds at the Highway 114 entrance. Students shall exit the lot at the north end of the East lot.
3. School buses shall have street priority.
4. If you are using a different vehicle, from the one you originally registered, it must be registered and must have a parking tag displayed.
5. Vehicles should remain in the student parking lot for after school activities.
6. Switching or the borrowing of parking tags between students is a violation of driving/parking privileges.

Accidents on school grounds will be reported to the main office and to law enforcement. Driving to school is a PRIVILEGE. Any student who does not exhibit proper safety and driving habits may lose this privilege. Violation of the established RCHS motor vehicle rules pertaining to proper registration and parking will jeopardize the privilege of driving to school.

Bicycles and Mopeds are to be parked in the school racks that are located between Doors 1 and 2. It is strongly recommended to keep your bicycle and/or moped chained and locked. Motorcycles are to be parked in assigned space in the student parking lot.

BREAKFAST/LUNCH POLICIES

Students may eat lunch in the cafeteria or bring their lunches from home. Students/Parents can pick up Free/Reduced Lunch applications from the main office. Breakfast is served in the cafeteria every day from 7:30 a.m. - 8:00 a.m. All food should remain in the cafeteria. Students are expected to keep the cafeteria clean by using trashcans provided and returning their trays to the washing area. Students are expected to leave their tables clean. Trays, dishes, and utensils are not to be removed from the cafeteria.

CELL PHONE/ELECTRONIC DEVICE/WIRELESS COMMUNICATION DEVICE POLICY

Cell phones, iPods, mp3 players, or other electronic devices are not to be used in the classroom unless authorized by the classroom teacher. All electronic/communication devices are to be turned off or placed on silent/vibrate mode

during class. Students may listen to music when outside of the classroom through earphones. All devices are PROHIBITED during standardized testing and during classroom exams. All websites accessed must be school appropriate. All cyber-bullying or harassment violations will be subject to the consequences outlined in this handbook. Students are responsible for the security and safety of all devices and it is not the responsibility of the RCHS administration.

The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes.

1. Child exploitation. It is a Class C felony under I.C. 35-42-4-4(b) for any person/student (1) to exhibit, photograph or create a digitalized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18. Sexual conduct is defined at I.C. 35-42-4-4(a).
2. Child pornography. It is a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16. Sexual conduct is defined at I.C. 35-42-4-4(a) D. The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statute at I.C. 35-42-4-11, as of May 2009, require persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4(b) to register as a sex offender.

Because student cell phones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system.

CHANGE OF ADDRESS AND PERSONAL INFORMATION—Students/Parents should inform the office if you have a change of address or personal information during the school year. Accurate information is crucial during emergency situations and/or school mailings.

CONVOCATIONS/STUDENT ASSEMBLIES

Convocation and Auditorium rules are in place to ensure the best possible conduct during a program/assembly. It is not expected that every person will find all programs of equal interest; but whether a person finds a program to his/her liking or not, he/she has an obligation as a student of RCHS to be courteous and polite to the person(s) presenting the program, and the fellow students who are interested.

E-LEARNING

The Rensselaer Central Schools Corporation's application for eLearning days has been approved by the Indiana Department of Education. These days will be used in the case of cancellation of school due to inclement weather. Students will not have to make up these days.

Why have eLearning?

RCSC recognizes classroom instruction as the most valuable learning environment. In situations where inclement weather forces school cancellation eLearning is the next best learning environment. eLearning Days provide instruction and reinforcement allowing for progress to continue in an inclement weather situation.

Instruction is not interrupted, learning continues and the days do not have to be added on at the end of the school year. eLearning days occur before state testing in the spring whereas days at the end of the year do not.

eLearning is everywhere. We see it in most workplaces, in more and more K-12 school settings and in all universities. RCSC students need opportunities to experience and become comfortable with this type of learning.

What will it look like for students?

Students will use iPads in grade 3-12 to complete content that would have been addressed if school were in session. In grades K-2, students will be distributed a packet of material that can be completed at home. Students who need extra help or have questions can contact the teacher through email or by calling the RCSC offices. RCSC staff will route the phone call to the teacher and a response will be returned.

Attendance:

eLearning instruction will begin at 9:00 a.m. Students will Internet access will sign in to a Google form to confirm attendance. The form is located at www.rensselaerschools.org. Students without Internet access must call the school office to verify attendance.

Amount of work time required of students?

Students will be required to complete lessons assigned to them by their teachers. A lesson could follow a format like this:

- 2-3 minutes to understand the lesson objectives
- 10-15 minutes to deliver new content
- 10-20 minutes to check for understanding

Students should have 4-5 hours of work during the day.

When is work due?

All eLearning assignments and assigned packets are to be completed within 2 regular school days. Work turned in after 2 completed days is subject to the late policies of each individual school's policy regarding late work.

Can I complete my work during the school day once we return to school?

If you are without Internet access and use the school's connection to complete your assignments once school is in session, it will not replace the scheduled work. Assignments must be completed prior to or after school. They may not be completed during a scheduled class meeting.

Teacher Availability

Teachers will be online and available via email from 9:00 a.m. to 3:00 p.m. Teachers may use resources to conduct online discussions with students using a variety of educational services tailored to the particular objectives being taught for the lesson.

What if students do not have Internet access?

Students without Internet access will be able to download the content needed prior to school being cancelled using the RCSC Internet connection. For extreme instances where a digital service is not permitted to leave the building, the students will notify the teacher ahead of time so alternate assignments can be distributed in an alternate format.

What resources will be available if students have problems?

All school offices and the central office will be staffed and will provide phone and technical assistance for students in grades K-12.

2. **Accidents:** Every accident or injury in the school building, on the school grounds, at practice sessions, or any event sponsored by the school, must be reported immediately to the person in charge and to the school nurse. Accident reports must be completed and filed with the school nurse.

Parents/guardians who elect to have their child transport medication to and from school assume full responsibility for the transport of medication and the delivery of said medication to the nurse's office.
 - Students with an acute or chronic disease or medical condition may possess and self-administer medication that must be administered on an emergency basis while the student is on school grounds or off school grounds at a school activity, function, or event if the student's parent/guardian files an annual authorization and a written statement from the student's physician is on file with the school nurse.
 - Parents and students are requested to pick up unused medication at the end of the school year. School personnel will destroy any unclaimed medication.

The mission of Rensselaer Central Schools Corporation is to transport students safely to and from school and extracurricular activities. Riding the school bus is a privilege, not a right. Riding the bus is part of the school day and all rules and procedures outlined in RCSC policy and respective student handbooks apply.

When students are being transported on a school bus, the students are under the supervision, direction, and control of the school bus driver and are subject to disciplinary measures by the school bus driver and the governing body of the school corporation.

Parents are responsible for the safety of their child while going to or from the bus stop and while waiting for the school bus. Parents are also responsible for damage by their child to school buses, personal property, or public property.

Students will not be permitted to ride unassigned buses for any reason other than an emergency, except as approved by the principal/assistant principal and/or Director of Transportation. Any change in a student's regular assigned bus route and/or stop may be granted for a special need, if a signed note from a parent is submitted to the building principal/assistant principal stating the reason for the request and the duration of the request and the principal approves. A copy of the signed note will be kept on file at the school and a copy given to the bus driver.
- F. Use of Electronic Devices on School Buses:

STUDENT RESPONSIBILITIES REGARDING SCHOOL WORK

1. **Homework:** It is not intended that students will finish all work during the school day. Students should plan to do work at home each night or as necessary. For the best results, set aside a time and place where you can study. Make it a habit. If a student never has homework, he/she may not be getting his/her work done.
2. **Make-Up Work:** Is the responsibility of the student. Once contact by the student or parent/guardian the teacher will make arrangements to make up work missed in class. The teacher and student will cooperate jointly regarding student opportunity to complete work missed. Students will be granted one school day per excused absence up to three (3) days for missed work. Modification to this rule can be granted only after a parent-teacher-student conference. Students are required to contact all teachers the day they return to school to make arrangements for make-up work. All grading period and semester INCOMPELTE GRADES must be made-up within one week (5 school days) after the distribution of grade cards. Failure to complete make-up work will result in a zero for the missing assignments. Failure to comply with the make-up work policy may result in academic penalties by the classroom teacher or disciplinary action as deemed necessary by the administration.
3. Parents who wish to obtain assignments for an absent student should call the High School before 9:00 a.m. to make this request and are to pick up these assignments between 3:15 p.m. and 3:30 p.m. Students are encouraged to make up as much work as possible before returning to school. All teachers can be contacted via email and most of the teachers utilize Weebly pages or class pages, which can be accessed to view class work assigned. Students are responsible for their success and are encouraged to visit these sites to check for missing work.

TEXTBOOK RENTAL AND FEES

Fees collected by our school pay for textbooks, consumable materials and supplies, and are due upon registration. The total cost for book rental and all class fees for the year are on based on individual student schedules. The Rensselaer Central Schools Board of Trustees determines textbook rental and fees. Cash or Check payments will be accepted for all textbook rental and/or student fees and they can be made in the school office.

It is the responsibility of the student to return the books to the issuing teacher. You will be charged the replacement cost for lost or damaged books. Additional books will not be issued until the cost of the book is recovered or arrangements have been made for payment.

VIDEO SURVEILLANCE AND ELECTRONIC MONITORING

The School board authorizes the use of Video Surveillance and Electronic Monitoring Equipment (VS/EME) at various school sites throughout the Corporation and on school buses. The VS/EME shall be used to protect Board property and assets from theft and vandalism, through deterrence and video documentation. The system is not designed nor intended to protect individuals from being victims of violent or property crime, nor to detect other potentially illegal and undesirable activities that may occur, although information may be used as evidence in such cases. Any person who takes action to block, move or alter the location and/or viewing angle of VS/EME shall be subject to disciplinary action. Video surveillance footage is protected under the FERPA policy and will not be viewed by and individuals other than school and corporation administration or law enforcement.

VISITORS—Parents needing to confer with an administrator, counselor, or teacher should telephone the main office to set up an appointment. Upon arrival at the school, parents are to sign-in at the main office. Other visits by friends or relatives of students at RCHS are not allowed. Special exceptions must receive approval by the principal or designee. Any person(s) found to be in violation of the policy might be subject to trespassing charges. *RCSC Policy 9150*.

WORK PERMITS—Under Indiana law, through the Indiana Department of Labor and Bureau of Child Labor, school corporations have the right to deny a work permit to a student whose academic performance does not meet the school corporation's standards or whose attendance is not in good standing. They also have the right to revoke a work permit previously issued to a student if the school determines that there has been a significant decrease in the student's grade point average or attendance after he/she begins work. When it appears that a job is detrimental to a student's academic status, it is the school's responsibility to advise the parents and employer so that all can work together to ensure that the student's education remains the primary focus. Students will apply for an Intention to Employ card in the main office

V. ACADEMIC INFORMATION AND COUNSELING SERVICES

CLASS LOAD

1. Students are required to enroll in seven credit courses each semester.
2. Students with an IEP (Individual Learning Plan) may be exempt from this rule depending on the decision of the case conference committee.

CLASS RANK

1. Class rank is calculated at the end of each semester.
2. RCHS uses a twelve point system to determine final class rank. See details in table below.
3. When a student takes a full load of 7 courses in a given semester, one extra quality point per semester will be added to the calculation of the GPA. The student must be passing all 7 courses to receive the point. Correspondence classes are not included in a student's daily schedule and do not count toward the 7 course full load point award.
4. The awarding of the extra point for completing 7 credits in a semester will occur at the conclusion of that semester.
5. The Valedictorian and Salutatorian will be determined upon the student class rankings at the end of 8 semesters. The Valedictorian will have the highest rank in the class and the Salutatorian will have the 2nd highest rank in the class.

Both the "F" grade and the new grade will be calculated in the student's GPA.
2. Recommended correspondence institutions include Indiana University High School and Brigham Young University.
3. Students who plan to meet the NCAA Eligibility regulations should make sure that the coursework is acceptable for the NCAA rules.
4. A request for receiving credit for an accredited course taken outside of RCHS must be made by the student before registering for the course. New General Diploma Requirements Rule for Students with *Disabilities*

Three Ways to Meet Indiana's Graduation Examination Requirements

The GQE was replaced by the Algebra I and English 10 End of Course Assessments (ECAs) for the graduating classes of 2012-2018. The new graduation examination requirement for students entering high school in 2015-16 (graduating class of 2019) and after is to take and pass the Grade 10 ISTEP+ in English/Language Arts and Mathematics.

New Rule
Preparing for College and Careers Not required
4 credits in math=Algebra 1 and any math course plus QR or math course Junior or Senior year)
4 credits in science=Biology 1 and 2 credits in other science(must include 1 Phys. or Earth Space)
4 credits in social studies=US History, Government, 1 of any SS course
6 credits of College and Career Pathway courses
5 flex credits
40 total credits

Indiana's ISTEP+ examination graduation requirement can be met in three ways:

1. Pass the graduation exam (Algebra I and English 10 ECAs for graduating classes of 2012 through 2018; ISTEP+ Grade 10 starting with the graduating class of 2019);
2. Fulfill the requirements of the **Evidence-based waiver**; or
 - Take the graduation examination in each subject area in which the student did not achieve a passing score at least one time each year after the school year in which the student first took the examination.
 - Complete help sessions offered each year by the school in preparation for the graduation examination retest opportunities.
 - Maintain a school attendance rate of 95% or better over the course of the high school experience (excused absences are not counted against a student's attendance rate).
 - Maintain a grade point average of "C" or better in the courses required for graduation (a total of 34 credits – see attached list).
 - Satisfy local graduation requirements.
 - Obtain a written recommendation from a teacher of the student in the subject area(s) not passed. The recommendation must provide documentation that the academic standards have been met, either through other tests or classroom work, be aligned with the governing body's relevant policy and must be agreed upon by the principal.
3. Fulfill the requirements of the **Work Readiness waiver**.
 - Take the graduation examination in each subject area in which the student did not achieve a passing score at least one time each year after the school year in which the student first took the examination.
 - Complete help sessions offered each year by the school in preparation for the graduation examination retest opportunities.
 - Maintain a school attendance rate of 95% or better over the course of the high school experience (excused absences are not counted against a student's attendance rate).
 - Maintain a grade point average of "C" or better in the courses required for graduation (a total of 34 credits – see attached list).
 - Satisfy local graduation requirements.
 - Complete all of the following:
 - Meet the course and credit requirements for a General Diploma (including the career academic sequence);
 - Complete a workforce readiness assessment; and
 - One of the following (expires with class of 2016):
 - Complete a career exploration internship course,

- Complete a cooperative education course, **or**
- Earn a workforce credential (recommended by the school).

Starting with Class of 2017: **Starting with students who entered high school during the 2013-14 school year (class of 2017), the requirement to complete a career exploration internship, cooperative education course OR earn a workforce credential will be replaced with, “complete at least one industry certification from the state board’s approved industry certification list”.*

Children with disabilities (IC 20-32-4-5)

If a student with a disability (as defined in IC 20-35-1-2) does not achieve a passing score on the graduation examination, the student’s case conference committee (CCC) may determine that the student is eligible to graduate if the CCC finds the following:

- The student’s teacher of record, in consultation with a teacher of the student in each subject area in which the student has not achieved a passing score, makes a recommendation to the CCC. The recommendation must: be agreed upon by the principal of the student’s school; and supported by documentation that the student has attained the academic standard in the subject area based on: tests other than the graduation examination; or classroom work.
- The student meets all of the following requirements:
 - Retakes the graduation examination in each subject area in which the student did not achieve a passing score as often as required by the student’s individualized education program (IEP).

Credits and Courses that Count for the “Evidence-based” and “Work Readiness” Waivers

For students entering high school in the 2006-07 school year or after, the “courses required for graduation” in computing the “C” average for the “evidence-based” and “work readiness” waivers include the following 34 credits:

- (1) Language Arts – 8 credits (including a balance of literature, composition, and speech).
- (2) Social Studies – 4 credits (must include 2 credits in US History, 1 credit in US Government and 1 credit in “another social studies course, Global Economics or Consumer Economics”).
- (3) Mathematics – 4 credits (must include 2 credits in Algebra I or Integrated Mathematics I and 2 additional mathematics credits. All 4 credits must be earned after the student enters high school).
- (4) Science – 4 credits (must include 2 credits in Biology and credits from at least one additional science category – Physical or Earth/Space Science).
- (5) Health and Wellness – 1 credit
- (6) Physical Education I & II – 2 credits
- (7) Career-academic sequence – 6 credits
- (8) Flex credits – 5 credits

***Note that while a “C” average is needed in the 34 credits noted above to earn a waiver; students must still earn a minimum of 40 credits to earn an Indiana diploma**

HONOR ROLL— In order to qualify for the Honor Roll, the student must be on a full-time basis taking no less than six subjects. All of the courses that the student has taken will be used in calculating the RCHS Honor Roll.

Honor Roll standards are as follows:

- Honor Roll-Students earn all “A” grades in all subjects.
- Honorable Mention-Students earn “A” or “B” grades.

REPORT CARDS

1. Grade report cards are issued following the conclusion of each of the 9-week quarterly grading periods.
2. A student should report any grade issues to the teacher or school counselor.
3. Incomplete grades must be made-up within one week (five school days) after the distribution of grade cards.
4. The teacher must submit a grade change form to a school counselor for the grade to be officially changed.
5. If the incomplete grade is not changed within 1 week, the "I" grade will then change to an "F" grade.
6. Administrative approval is required for an incomplete grade to be extended beyond one week without being made up. (Eg. extended illness, etc.)
7. Students have the opportunity to request a grade change from their teacher within one week after the distribution of the report cards.

SCHEDULE CHANGES

1. Schedule changes will be permitted only during the first week of each semester.
2. Dropping a course after this deadline has passed will result in a grade of "Withdrawn F" ("WF") being recorded for that subject.
3. If it is determined that the student is academically misplaced, the student may appeal to the building principal to drop the "WF" grade.

STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

1. Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
2. Parents or eligible students have the right to request that the school corrects records, which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
3. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31)
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

STUDENT WITHDRAWAL PROCESS FROM RCHS

1. Before a student may apply for permanent withdrawal from RCHS, the parent and/or student must schedule a conference with the school counselor and the Principal or Assistant Principal. The student must be 18 years of age.
2. Any student between 16 and 18 years old may withdraw only if the withdrawal is due to:
 - A. financial hardship and the individual must be employed to support the individual's family or a dependent,
 - B. illness documented by a person licensed to practice medicine in Indiana,
 - C. an order by a court that has jurisdiction over the student.
3. The parent or guardian must complete a withdrawal form before transcripts will be sent to the receiving school. All students withdrawing from the RCHS are required to notify the Guidance Office one week prior to the last day of attendance. A withdrawal form will be issued to the student. The student will present this form to every teacher on his/her schedule. The librarian, office secretary, athletic director and principal must sign this form. All textbooks, property, and other obligations must be turned in. The student will be charged for all materials not returned to the school. Failure to follow this procedure shall result in the student's records being held until the above provisions have been satisfactorily fulfilled.

ACADEMIC ELIGIBILITY

Rensselaer Central High School

IHSAA Requirement – The student/athlete must meet the minimum IHSAA requirement of passing at least 70% of the maximum number of classes offered. This requires that the student/athlete pass a minimum of 5 classes.

RCHS Requirement – At the end of each grading period, a student/athlete, manager or support member must be passing all subjects to be eligible, with one exception. A student/athlete who has received one (1) F and is receiving all A's, B's and C's in all other classes is still eligible. Semester grades will take precedence over nine-weeks grades. Ineligibility will last for a period of ten (10) student school days. The student/athlete may attend practices and contests, but may not participate in contests. The student/athlete may be re-instated at the end of the ten (10) student school days, if he/she has a passing grade in all subjects. If the student/athlete is not passing all subjects at the end of the ten (10) student school days, he/she will be ineligible for the remainder of the grading period. The ten (10) student school days begin the first student day of the school year, or the beginning of each grading period.

Rensselaer Central Middle School

RCMS Requirement – At the end of each grading period, a student/athlete, manager or support member must be passing all subjects to be eligible. Semester grades will take precedence over nine-weeks grades. The student/athlete may attend practices and contests, but may not participate in contests. The student/athlete may be re-instated if he/she is passing all subjects on a progress report.

Rensselaer Central High School and Middle School

Eligibility requirements carry over from the 4th nine-week grading period to the beginning of the next school year. The only exception will be for incoming high school freshman. All freshmen receive initial promotion academic eligibility as per IHSAA rules. This exception only applies to the 4th nine week grade period at the middle school level of an 8th grade student/athlete becoming a freshman.

ATTENDANCE

Rensselaer Central High School and Middle School

All student/athletes are expected to be at school by the start of the school day. If a student/athlete is not at school by the start of the school day, he/she will not be allowed to practice that day. Further, in the event there is an athletic contest that night, the student/athlete will not be allowed to participate. Field trips, funerals, medical appointments, school events or any other event approved by school administration will be considered approved absences. Any other exception must be approved by the Athletic Director, Assistant Principal or Principal.

Student/athletes serving in-school or out-of-school suspensions will not practice or participate in athletic contests during the entire length of their suspension. Student/athletes who are suspended from school are not to travel with the team or attend games while the suspension is in effect. Both types of suspension shall be considered over at the end of the school day on the final day of the suspension. The student/athlete is then eligible to start practicing and competing in contests the following day. If the suspension ends on a Friday, the student/athlete is eligible to begin on Saturday if there are practices or contests.

CONSENT TO PARTICIPATE

Rensselaer Central High School and Middle School

All student/athletes must have parental/guardian consent to participate in athletics. This requirement is covered by completing the following documents prior to any participation in each sports contest season. The following documents are required to be completed and turned into the Athletic Directors office:

PARTICIPATION IN TWO SPORTS IN ONE SEASON

Rensselaer Central High School and Middle School

Rensselaer Central High School and Middle School do not support dual sports participation. Student/athletes are not permitted to participate in an in-season sport and condition in an out-of-season sport at the same time. The only exception to that policy would be for a manager or other support team member. In the event that an exception does apply, both Head Coaches and the Athletic Director must approve the request.

CONFLICT BETWEEN ACTIVITIES

Rensselaer Central High School and Middle School

From time to time, conflicts may arise between extra-curricular activities and practice. In some cases, the athlete will have to make a decision as to which one to attend; in others, the decision will be made for him/her due to particular sport, class or club requirement. (i.e. Student Council, FFA, musical organizations, etc.) The general rule is that the student can choose, without penalty, to attend the one activity he/she wants for the first conflict, and on the second conflict, the athlete should attend the activity he/she did not choose the first time. Communication between the coaches and sponsors of the conflicting activities is a must.

INSURANCE FOR ATHLETES

Rensselaer Central High School and Middle School

The Rensselaer Central Schools Corporation does not provide any insurance coverage for student/athletes. As a service to our students, the Rensselaer Central Schools Corporation offers an opportunity to enroll in a student accident insurance plan administered by an outside vendor. Each student/athlete, however, must demonstrate proof of insurance before he/she will be allowed to participate on a school team.

TRANSPORTATION

Rensselaer Central High School and Middle School

Transportation to all events by bus or minibus is the established policy of the Rensselaer Central School Corporation. The Athletic Director, with the help of the Transportation Secretary, will set up a schedule for departure times and mode of transportation. Athletes traveling to and from athletic contests are expected to ride on the approved mode of transportation. Under no circumstances is a student/athlete to transport himself/herself or teammates to contests. In some cases, a student/athlete may be allowed to be transported by parents to the contest and/or from the contest as long as the "Travel Consent Form" has been approved by Administration for that contest. Coaches are to maintain discipline on the bus or minibus. Coaches are to see that athletes do not leave trash on the bus or other vehicle. When athletes arrive back at the school, coaches will remain until all athletes have left.

WEATHER CANCELLATIONS/DELAYS

Rensselaer Central High School

In the event of a morning delay to the start of school, all morning practices will be cancelled. In the event school is cancelled, released early, etc. all contests or practices will be canceled unless conditions improve to the satisfaction of the administration. In this case, the Superintendent or his designee may waive the above rules. Away contests will be determined by the administration of the host school.

Rensselaer Central Middle School

STUDENT/ATHLETE DRUG TESTING

Rensselaer Central High School and Middle School

The Board of School Trustees of Rensselaer Central Schools Corporation recognizes the health risks and dangers associated with the use of unlawful, illicit drugs, alcohol and/or tobacco products. All student/athletes, including those trying out for a team will be subject to a mandatory random drug-testing program.

Driver education students and those students seeking parking authorization are also included in this mandatory drug-testing program.

In addition to those students described above, the school will test any student who volunteers to participate in the program as well as students under the age of eighteen (18) whose parents wish to have them included in the program at the parent's expense.

ROSTER SELECTION

Rensselaer Central High School and Middle School

The coaching staff is hired for their knowledge and expertise in each particular sport. It is at the discretion of each sport's coaching staff to decide who will be on their team. At times, it will be necessary to release student/athletes trying out for the team. If a student/athlete is cut from a team he/she may join another team or program in that sport season with the approval of the second sport coach. This will not be allowed if the sport that the student/athlete is requesting to join has already held their first contest and/or that sport has administered cuts. A student/athlete cannot quit one sport to join another sport until that sport season has concluded. (Example: a player cannot quit football to go out for basketball until football is over. This includes pre-season training and weight training.) All questions and extenuating circumstances will be handled by the coaches involved and the Athletic Director. All athletes, including suspended athletes, will be released by the coach at the end of the season before they may begin a new season.

HOMESCHOOL STUDENTS

Rensselaer Central High School and Middle School

IHSAA Requirement – IHSAA Rule 12-5 allows homeschoolers to participate at the public member school serving their legal residence. The IHSAA criteria include:

- The student, in conjunction with the school, provides proof to the IHSAA that the spirit of the eligibility rules will not be compromised including passing a physical examination and participating in the required number of practices in a given sport
- The student must have been home schooled for the previous three consecutive years
- The student completes all state-wide examinations as authorized by the Indiana Department of Education
- The student's family must submit grade information to the school to affirm the student is passing all courses
- The student must be enrolled in the school for which the student is participating for a minimum of one class per day.

RCMS/RCMS Requirement – Additionally, the Board of School Trustees of Rensselaer Central Schools Corporation has also mandated that each Homeschool student/athlete be enrolled in 50% of the maximum number of classes offered to be eligible to participate in Athletics.

DISCIPLINE

Rensselaer Central High School and Middle School

INVESTIGATION The Athletic Director shall immediately investigate the conduct of any student/athlete when the Athletic Director has reason to believe that a violation of these regulations has occurred. The Athletic Director may interview the student/athlete as well as any other student or person who may have information regarding the alleged misconduct. If, after conducting the investigation, the Athletic Director believes that the student/athlete violated any of these regulations, discipline shall be administered consistent with these regulations.

The following regulations, if violated at any time, will result in disciplinary action as outlined below:

- **ALCOHOL – POSSESSION, USE AND/OR CONSUMPTION.** The student/athlete shall not possess, use, or consume any alcoholic beverage, in any form or quantity.
- **ILLEGAL DRUGS – POSSESSION, USE AND/OR CONSUMPTION.** The student/athlete shall not possess, use, or consume any form of illegal drug including, but not limited to non-prescriptive or counterfeit drugs.

- **NICOTINE AND/OR TOBACCO PRODUCTS – POSSESSION, USE AND/OR CONSUMPTION.** The student/athlete shall not possess, use or consume any type of nicotine, nicotine products, tobacco or tobacco products.
- **THEFT AND/OR VANDALISM.**
 - The student/athlete shall not commit any act of theft or vandalism, wherever it may occur.
 - Payment or replacement of stolen or damaged equipment, facilities, etc., shall be the responsibility of those student/athlete(s) involved.

If any of the above four regulations are violated by a student/athlete or student/athlete candidate, the following disciplinary action shall be taken.

Rensselaer Central Middle School – Violations occurring as a Middle School student/athlete

- 1st offense: Suspension for the interscholastic athletic competition for 25% of the scheduled contests for that sports season. The length of the suspension shall be based upon the number of regularly scheduled interscholastic contests. The number of suspended contests shall be rounded off to the nearest whole number of contests. If the suspension cannot be completed within the current sports season, the suspension shall be carried over to the next sports season in which the student/athlete competes. The student/athlete shall follow all team rules during the period of suspension.
- 2nd offense: Suspension from interscholastic athletic participation and competition for one calendar year, beginning from the day of notification of the violation.
- 3rd offense: A third violation shall result in expulsion from interscholastic participation and competition for the remainder of the athlete's middle school career.

Rensselaer Central High School – Violations occurring as a High School student/athlete

- 1st offense: Suspension for the interscholastic athletic competition for 25% of the scheduled contests for that sports season. The length of the suspension shall be based upon the number of regularly scheduled interscholastic contests. The suspension shall include all completed contests through the State Tournament. The number of suspended contests shall be rounded off to the nearest whole number of contests. If the suspension cannot be completed within the current sports season, the suspension shall be carried over to the next sports season in which the student/athlete competes. The student/athlete shall follow all team rules during the period of suspension.
- 2nd offense: Suspension from interscholastic athletic participation and competition for one calendar year, beginning from the day of notification of the violation.
- 3rd offense: A third violation shall result in expulsion from interscholastic participation and competition for the remainder of the athlete's high school career.

Since managers are not participants, managing does not fulfill the requirements of serving a suspension.

The student/athlete's coach will determine whether or not the suspended student/athlete must complete the sport's season in which he/she was participating for the purposes of serving the suspension.

To serve a suspension, the student/athlete must be otherwise eligible to participate in athletics according to these regulations.

In the event the student/athlete violates any of the above regulations, that student/athlete may be required to attend counseling. If required, the counseling sessions must be completed to regain eligibility for competition.

Suspended student/athletes will not dress in game attire for contests in which they are suspended.

Possession – Definition. For the purposes of these above regulations, the term possession means that the student/athlete has control over the illegal substance or beverage with the intent to have and exercise control.

The following are considered regulations of the Discipline section outside of the four regulations listed above.

IHSAA RULE C-8-1 This rule requires that a student/athlete's conduct, in and out of school, shall be such as: (1) not to reflect discredit on his or her school or the IHSAA; and (2) not to create a disruptive influence on the discipline, good order, moral or educational environment in the school. A student/athlete that engages in conduct that violates IHSAA Rule C-8-1 is in violation of the Discipline regulations.

VIOLATION OF THE CRIMINAL CODE. The Indiana Criminal Code, I.C. 35-1-1-1, et seq., is hereby incorporated by reference into these regulations. If a student/athlete engages in conduct that is a crime under the Indiana Criminal Code, such conduct shall be deemed a violation of these regulations. The student/athlete need not be arrested, charged or convicted of a crime in order for discipline to be administered under these regulations.

DISCIPLINE COMMITTEE. Under these regulations, certain violations, namely, possession, use and/or consumption of alcohol, tobacco or illegal drugs, and theft and vandalism, have specified penalties or discipline for each such violation. However, other violations of these regulations do not carry set penalties or discipline. Therefore, if, after investigation, the Athletic Director believes that the athlete may have violated regulations that do not carry set penalties, a discipline committee shall convene to determine whether the student/athlete should be disciplined. The discipline committee shall consist of the Athletic Director, the Principal and the student/athlete's head coach. Any member of the committee may request the student/athlete to speak to the committee regarding the alleged violation. Further, if the student/athlete requests, the student/athlete shall have the right to address and speak to the committee concerning the alleged violation. After a review of all circumstances surrounding the alleged violation, the committee shall then make a determination as to the discipline to be administered by a majority vote. The range of discipline may range from no action, to a suspension for the student/athlete's entire athletic career at the High School or Middle School level. The discipline may also include a requirement that the student/athlete make restitution if damages are sustained as a result of the misconduct. Further, the discipline may include counseling such as the discipline committee deems necessary. The discipline administered shall be consistent with the seriousness and nature of the alleged misconduct, and the student/athlete's prior disciplinary record.

Each student/athlete should bear in mind that he/she represents himself or herself, his/her family as well as his/her teammates and his/her school more places and in front of more people than the other student/athletes at the High School or Middle School. A Bomber student/athlete's actions and conduct at all times reflects directly on all of the above.

The student/athlete shall also understand that they are a High School or Middle School student/athlete 24 hours a day, 7 days a week and 365 days a year. This commitment to the Rensselaer Central Athletic Department is a complete commitment to a positive lifestyle. Questionable conduct by a student/athlete can ruin the pride and favorable image that student/athletes create for our school and community.

COACHES RULES

Rensselaer Central High School and Middle School

Each coach shall have the right to establish written rules for the team they are coaching. These rules shall be subject to the approval of the Athletic Director and shall be distributed to the student/athletes.
